

digital TV research

October 2021

About us

Digital TV Research publishes more than 25 reports each year for more than 350 clients. To track these fast-moving sectors, we offer annual subscriptions that include all of our reports – including six monthly updates - with attractive discounts.

Why choose us?

- The extent of our coverage: 138 countries across seven regions
- Detailed updates and forecasts every six months by country for pay TV and OTT
- 30+ years of experience and connections: key for the validation of our numbers
- Flexible, customised research: choose from one single country profile to an annual subscription package.
- Competitive and reasonable prices
- Fast-turnaround on analyst feedback

Each country report comes in three parts:

- **Insight:** Thorough scrutiny in a PDF document, giving market analysis of the key players.
- **Outlook:** Subscriber forecasts via charts and graphs in a PDF document that can be exported for your presentations.
- Detailed **excel workbook** covering each year from 2010 to 2026 to allow easy comparisons and market growth forecasts.
